## Village News

### A NOTE FROM THE SOCIAL CLUB

July is now at an end, one more month of winter and hopefully, the weather will start to warm up.

July was a quiet month socially in the Centre. It was good to be able to resume the usual activities after a few Covid cases.

A group of residents went to the Lyric theatre in the city to see Mary Poppins. It was a magnificent 2 and a half hours or non-stop performing.

The stage show Moulin Rouge is coming up on the 21st September, 1 pm performance. If you are interested in going, please put your name on the list in the Centre or speak to Karen.

A group of Residents went to Blacktown Sports Club for lunch on the 20th. The buffet was very yummy and plenty of it.

The Coffee and Cake morning on the 26th was well attended. Paddy can still make a good "Cappuccino".

Marie Hobbs's family had donated some "brick a brack" from her place of which we held an impromptu garage sale. We thank them for their kindness and thank you to all Residents who bought some goods.

*Take Care.*

# Village Manager's Report

WOW... what a month!

When things get a little tough is when you see who really cares and it seems at Windsor Country Village everyone cares. A big shout out to those who have been checking in and helping others when they are not feeling the best or needed to get somewhere but didn't have their car. Whether it's collecting mail, groceries or medication everyone put their hand up to help.... You are amazing people, give yourself a pat on the back.

A fitting afternoon gathering to see the lovely Marie Hobbs off. She will be sadly missed.

Disappointingly, we had some (not so nice people) vandalise cars. Please be assured that the CCTV installation is our priority and will be up and running very soon. Your safety, security and comfort come first.

I'm sure you will have noticed that Craig and Stephanie are weeding and mulching their way around the village. It really does smarten up the whole grounds and is good preparation for the Spring planting. If your common garden hasn't been done yet, don't panic they will get to you.

With Johanna running the Exercise Classes here again every Wednesday, I would expect to see everyone in their lycra and leg warmers preparing those summer bodies... come on ladies, you can do it!

Fortnightly Card making with Kay, next meeting is Monday 1st August 1.30pm - 3.00pm. A \$2 donation gets you a craft kit but you will need to bring your own scissors, craft knife and glue stick.

The Windsor Library movie for August is the Drama/Mystery: Citizen Kane - Thursday 11th August. If this movie is for you please put your name on the list, if not, then let's see what next month brings.

All are welcome to our next Community Morning Tea on Tuesday 30th August with Coffee and Treats all round.

It's nice for everyone to be out and about again.

Don't forget I am here to assist so if you need help with anything just come and see me.

## Resident Profile

Warwick Lancaster

A considerate, quiet gentleman. Warwick is a font of knowledge and is the first man picked on any WCV trivia team. He is a thoughtful neighbour and an active participant in the many activities around the village. A regular at the 5pm community centre happy hour, his softly spoken ways perfectly compliment some of the more robust voices in the village!
