WINDSOR COUNTRY VILLAGE – 35TH ANNIVERSARY

**PRESENTED IN PARLIAMENT OF NSW
19TH OCTOBER 2022**

Mr Speaker,

I congratulate Windsor Country Village on its thirty-fifth anniversary. The family-operated business and independently run retirement village provides a type of community that is hard to find.

I am proud to say it sits in Hawkesbury's backyard and provides a safe haven for residents who want to be surrounded by a warm and vibrant community in the natural beauty of Hawkesbury. I extend my congratulations to the Edmonds family, who created the village and have run it from the very beginning.

I particularly note and congratulate Philip, Janet, Kristen and Paddy on their dedication and commitment as a team and on delivering quality retirement living. The village is home to over 100 residents and operates in a caring environment, with an energetic social committee that creates plenty of regular events and activities for over-55s.

Well done to the Edmonds family for facilitating such a safe and comforting environment and for hosting a fun-filled night to celebrate the village's thirty-fifth anniversary.

Thank you Mr Speaker.
